

FINANCIAL TEAR SHEET

CORPORATE PROFILE

Presidio is a leading North American IT solutions provider focused on Digital Infrastructure, Cloud and Security solutions to create agile, secure infrastructure platforms for middle-market customers. We deliver this technology expertise through a full life cycle model of professional, managed, and support services including strategy, consulting, implementation and design. By taking the time to deeply understand how our clients define success, we help them harness technology advances, simplify IT complexity and optimize their environments today while enabling future applications, user experiences, and revenue models. As of June 30, 2018, we serve approximately 8,000 middle - market, large, and government organizations across a diverse range of industries. Approximately 2,900 Presidio professionals, including more than 1,600 technical engineers, are based in 60+ offices across the United States in a unique, local delivery model combined with the national scale of a \$2.8 billion dollar industry leader. We are passionate about driving results for our clients and delivering the highest quality of service in the industry. Presidio is majority owned by affiliates of investment funds managed by affiliates of Apollo Global Management, LLC (NYSE:APO).
