

Presidio Honored as Recipient of EMC Partner Services Quality Award for Eighth Consecutive Year

May 4, 2016 9:56 AM ET

New York, NY – May 4, 2016 – Presidio, a leading US-based IT solutions provider and Platinum EMC Business Partner, announced it has received the 2015 EMC Partner Services Quality Award from [EMC Corporation](#) for achieving outstanding service excellence and customer satisfaction as measured by the EMC Partner Services Quality (PSQ) program. Presidio was also honored as the 2015 EMC Americas Marketing Excellence Partner of the Year and 2015 Mid-Market East Partner of the Year.

The EMC PSQ program is a project-specific survey program designed for partners with Service Partner designations to solicit customer feedback regarding the quality of the partner's service engagements. The awards were presented May 2-3, 2016 to Presidio at the 2016 EMC® World Global Partner Summit. This marks the eighth consecutive year Presidio has received the exclusive client service recognition.

“Presidio helps customers with the digital transformation of their businesses, working with key partners such as EMC,” said Vinu Thomas, Chief Technology Officer at Presidio. “The award is based directly on Presidio's services skills, client satisfaction and experience, which are a priority for us. It is a testament to our partnership with EMC and their best-of-breed solutions that enable virtualization, converged infrastructure, data lakes and software defined data centers. These are the digital-ready infrastructure solutions crucial to our customers' business transformations.”

“Presidio has raised the industry standard for services to a new level of excellence. In conjunction with EMC's world-class technology innovations, Presidio has provided unparalleled services to our customers,” said Richard Steeves, Director, Global Services Partner Programs for EMC Corporation. “This has been an exceptional year for Presidio as it continues to provide best-in-class services to help customers unleash the power of the modern data center. We look forward to our continued relationship.”

EMC Services Partners are trained and authorized by EMC to sell and deliver a comprehensive portfolio of services ranging from technology implementation to technical support. These partners provide value-added services to address the most crucial aspects of a customer's information technology infrastructure.

About Presidio

Presidio is a leading US-based IT solutions provider offering consulting, IT design, optimization and implementation, and IT-as-a-Service. By taking the time to deeply understand how our clients define success, we architect technology solutions that address their evolving business needs. Our approach blends the credibility to deliver practical results today, with the creativity to drive the business visions of tomorrow. More than 2,700 Presidio professionals, 1,500 of whom are engineers with over 5,800 industry-leading certifications, are based in 60+ offices across the US. We serve over 6,500 clients through a unique, local delivery model while capitalizing on our scale as a \$2.8 billion national industry leader. We are passionate about driving results for our clients and delivering the highest quality of service in the industry.
