## Presidio Wins 2016 Regional VMware Partner Innovation Award

*Partners Awarded for Extraordinary Performance and Notable Achievements*

**New York, NY** – June 8, 2017 – [Presidio, Inc.](http://www.presidio.com) (NASDAQ:PSDO), today announced that it has received the Americas VMware Partner Innovation Award in the VMware NSX® category. Presidio was recognized at VMware Partner Leadership Summit 2017, held in Rancho Palos Verdes, Calif.

“We congratulate Presidio on winning NSX Partner of the Year - Americas, and look forward to our continued collaboration,” said Frank Rauch, vice president, Americas, Partner Organization, VMware. “VMware and our partners will continue to empower organizations of all sizes with technologies that can accelerate their digital transformation.”

“Presidio helps customers digitally transform their businesses working with strategic partners such as VMware,” said Dave Hart, Chief Operating Officer at Presidio. “Together we assist our customers to reduce complexity and enable more flexible, agile service delivery. This award is based directly on Presidio’s portfolio of software defined solutions spanning multi cloud, security and digital infrastructure – combined with our ability to provide value-added services and delivery skills through hundreds of technical and sales certifications across all VMware competencies. It is also a testament to our longstanding partnership with VMware and their best-of-breed portfolio that automates infrastructure and application delivery, including networking and security.”
